

Hahn Urges Jury Plan for County

AS NEW courthouses are built to house Municipal and Superior courts, Hahn said, only one jury assembly room would be needed and thus the space could be used for much-needed courtroom or hearing rooms.

Duplication by the two courts in drawing names of prospective jurors would be eliminated and the time of jurors would be better used.

POOL JURORS used in the Central District Superior Court showed the number of jurors required for a pool diminished in direct proportion to the increase in the number of courts serviced.

The Chief Administrative Officer has been instructed to work out with the judges of the Superior Court and Municipal Courts this plan on a voluntary basis.

"This program would add to the efficiency and economy of our courts and help reduce the tremendous burden on property tax payers," Hahn said.

New treasurer of Marymount College, Palos Verdes Estates, is Mrs. Marion W. Miller of Lomita, who has a 20-year background in public accounting. She assumed her duties Nov. 1, replacing Sister M. Enda Martin, RSHM, who resigned.
